About Bootleg Brewing Co.

Bootleg Brewing Co. started brewing in 2010, housed in the Horse & Jockey pub and is currently the only brewery in Chorlton. The micro-brewery was converted from the shell of the tower where an old brewery once stood.

Since our humble beginnings, we have expanded our range of craft beers to include other local classics such as Chorlton Pale Ale, Fools Gold, Cheeky Monkey and our red-rye IPA; Urban Fox which won Bronze at the International Brewing Awards in 2017. The brewery currently has a permanent range of five cask ales and further six seasonal ales.

As well as our range of successful cask ales, we also have a formidable range of craft keg products including two craft lagers Spin Doctor and Vinyl Tap. A recent addition to the range is Bootleg American IPA., a big IPA with big new world flavours that's generating a cult following in the bars of Manchester and beyond.
